**Reasons for Allowance**

The following is an examiner's statement of reasons for allowance: none of the prior art of record teaches or suggests a welding power source as set forth in independent claim 1, a welding power source output mode selector assembly as set forth in independent claim 8, a method of electronically selecting an output as in independent claim 18, or a retrofit kit as set forth in independent claim 23, and in particular does not teach or suggest the limitations directed to an LC filter in combination with the other limitations as set forth in these independent claims. The dependent claims are allowable at least because they depend from allowed independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Clifford C Shaw at telephone number 571-272-1182. The examiner can normally be reached on Monday through Friday of the first week of the pay period and on Tuesday through Friday of the second week of the pay period.
